

Taking risks

In this course students will continue to be focused on increasing vocabulary with intermediate terms. As with the previous block, there is frequent pronunciation and picture association of vocabulary terms to reinforce learning. Realistic dialogues, error detection and correction, an assignment sent to a tutor and freeform speaking encourages student to use vocabulary and express themselves.

- 1 Insurance vocabulary
- 2 Typical situation - Two friends talking about car insurance
- 3 Dialogue - Taking risks and accidents
- 4 Consolidation
- 5 Additional Exercises
